Gemini Variable Speed Control System

Balboa's Gemini Variable Speed Control Kit is ideal for all whirlpool baths. With the touch of a button you can control the water temperature to your exact specification for maximum comfort.

The RND 2 button panel controls a Variable Speed Pump (the variable speed pump can be run in "Wave Mode"), water level and temperature sensor, and a programmable 30 minute timer. You can also add light controls to our system.

GEMINI ELECTRONIC CONTROL SYSTEM KIT (PN 99770)

RND 2 Button Panel With LED Pump Readout (PN 99722)

Temperature/Water Sensor (PN 99736)

Variable Speed Controller (PN 99734)

6 Foot Cable (PN 99730)
