Control My Spa was built to provide the Spa Professionals with real-time access to the tub so you will think you are actually standing next to it. And, for your Customer, peace of mind, new app features, the ability to schedule events and equip smart heating so your spa is ready to go when you are.

WELCOME

CONTROLMYSPA™

IOT | Setup Installation Instructions

BEFORE GETTING STARTED:

Although the gateway can be mounted anywhere in the spa and function properly, for best possible reception and range, the gateway should be mounted in the spa as high up in the spa as is reasonable. The antenna should also be swiveled so that it's pointing straight up, if possible.

ControlMySpa™

— EQUIPMENT NEEDED:

BP SYSTEM

Balboa Water Group BP System
connect to power

CMS GATEWAY

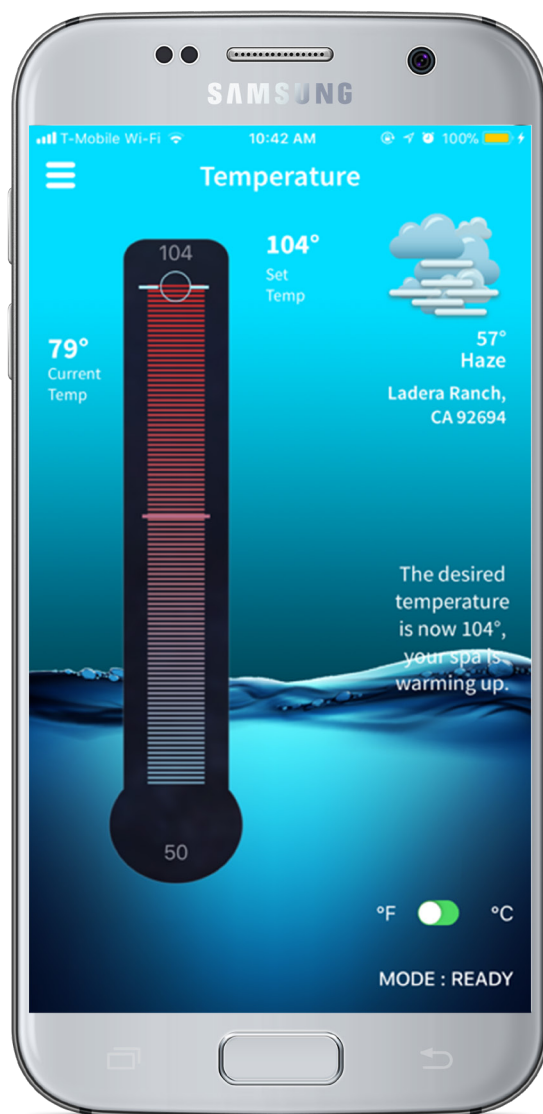

ControlMySpa™ gateway

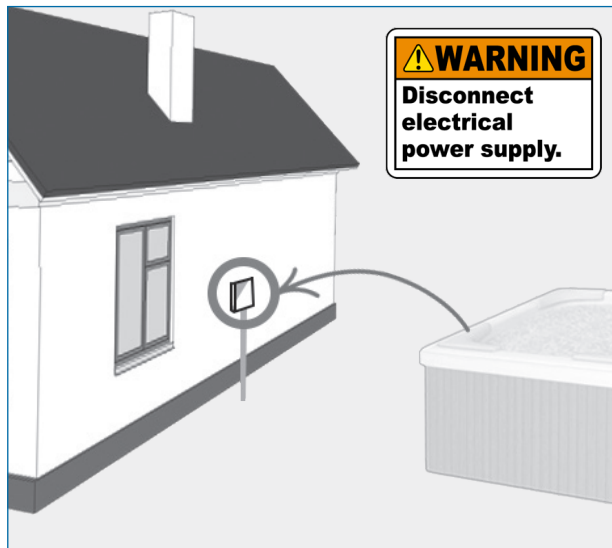

SMARTPHONE | TABLET

Android or iOS (Apple) smart-
phone or tablet

The ControlMySpa™ app connects you to your hot tub from any smartphone or tablet. Control the lights, temperature, set-up schedules and more. Receive instant push notification alerts when a potential problem occurs so you and your dealer know about it, even while you're away.

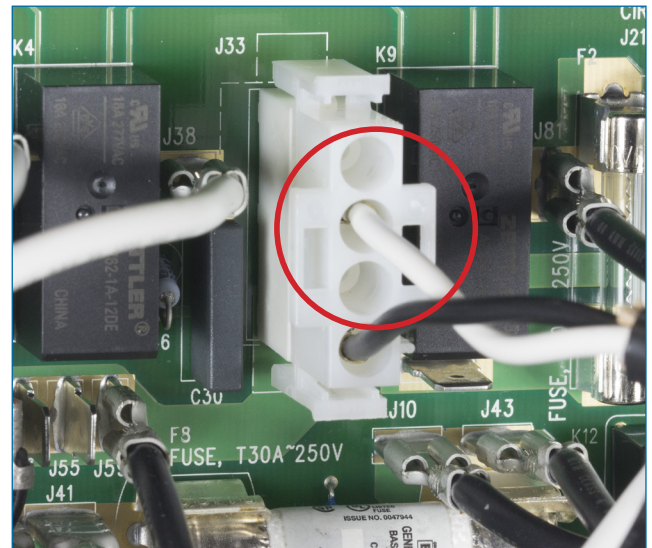

STEP ONE

INITIAL SET-UP

Insure the power is disconnected and off to all Spa Systems

STEP TWO

INITIAL SET-UP

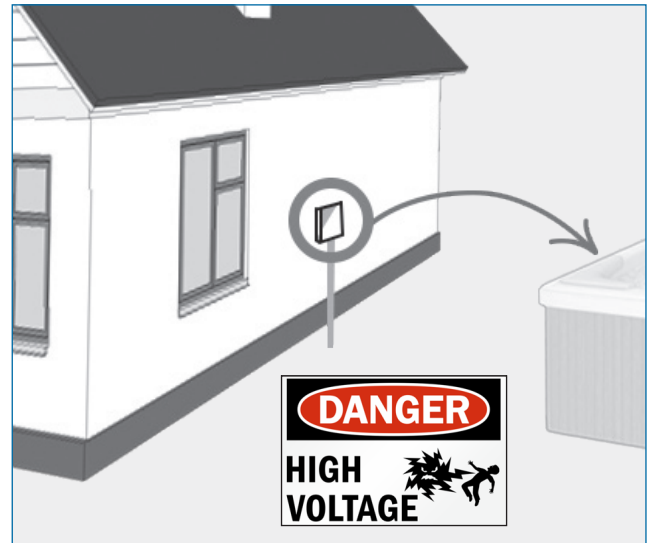

Connect the White AMP connector to the A/V Port in the BP System. The AMP connector should only connect to the A/V port on the BP pack. In case there's something already using the A/V port, use the provided splitter cable to connect both that and the gateway to the A/V port. The A/V port is J33 on the BP2000/2100/6013 board, and J47 on the BP501/601 board.

STEP THREE

INITIAL SET-UP

Connect the low voltage RS485 cable to the spa data bus. The 4-pin connector connects to any available panel port, or to a splitter already connected to a panel port. Please make sure you connect in the correct plug orientation.

STEP FOUR

INITIAL SET-UP

Turn on power to the Spa

ControlMySpa™ App for the smart device

Step 5

Connect the antenna to the module

QR Codes

SPA OWNER SET-UP:

Step 6

On your smartphone or tablet, download the CMS app

ControlMySpa™ Apps are available for download:

Apple Users: Download from the App Store | Apple (iOS App Store):
